DETAILED ACTION

This office action follows a response filed on November 9, 2006. Claims 34, 40, and 41 were amended. Claims 34-41 remain pending.

Claim Rejections - 35 USC § 103

1. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.
2. Claims 34-39 are rejected under 35 U.S.C. 103(a) as being unpatentable over Tuckey *et al.* (U.S. 5,727,529) in view of Yamagishi *et al.* (U.S. 6,003,876), and further in view of Hisada (U.S. 3,834,231) for the same reasons set forth in the previous office action.
3. Claims 40 and 41 are rejected under 35 U.S.C. 103(a) as being unpatentable over Tuckey *et al.*, Yamagishi *et al.*, Hisada, and further in view of Scott *et al.* for the same reasons set forth in the previous office action.

Response to Arguments

4. Applicants traverse the rejection of claims. Applicant's arguments hinge on the notion that the term "paint" distinguishes over the "adhesive" of Hisada and/or Scott *et al.* While there is support for the word "paint," in the specification, it is synonymous with "coating composition." The epoxy resin is applied as a thin film, and there is no indication that it is colorless, *i.e.*, contains no pigment. Thus, the adhesive qualifies broadly as paint. Applicants are encouraged to elucidate further any differences between terms and/or to qualify the broad term "paint" for the record.

In light of this and previous discussion, the rejection of record has not been withdrawn.

Conclusion

5. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
